Building Partnerships

The Conference Center is operated by Lone Star Corporate College. Lone Star Corporate College strategically partners with organizations to assist with innovation and productivity, thereby adding profitability through investment in customized employee training and education. By analyzing a company's business needs, Corporate College professionals develop relevant training solutions required for your most important asset—human capital.

The benefits of working with Lone Star Corporate College are training anywhere, anytime, and in any way. For our clients this means an emphasis on high-quality, results-oriented, relevant solutions. Additional benefits include college credit for attendees (CEUs or transfer credits), curriculum design experts (online and face-to-face), a source from which to recruit new employees, vast instructional resources including technical labs, and the confidence that our trainers are well qualified.

With the addition of a comprehensive Conference Center, Lone Star Corporate College now provides seminars and conferences for working professionals who need professional development or continuing education to maintain licensure or professional status.

Staying Connected

In a world where information and knowledge are instantaneous, staying in touch is still hard to do. With web meetings, phone conferences, emails, and other media channels, the ability to communicate face-to-face is still essential. Whether it is social interaction, business networking, teaching and learning, or training on the latest technology, Lone Star College Conference Center can provide you and your business the ultimate event and meeting experience.

Located in a wooded setting at State Highway 249 at Louetta Road in LSC-University Park, Lone Star College Conference Center is an ideal meeting destination that provides easy access in an area of quality restaurants, entertainment and lodging.

Call us to schedule a small meeting, large conference or teleconference!

The center is located approximately 20 miles from Bush Intercontinental Airport and only four miles north of the Sam Houston Parkway.

The Conference Center provides modern and professional conference and meeting facilities with 19 meeting rooms totaling more than 14,000 square feet, exhibition space and technical support, and a 3,200 square-foot dining facility.

Each conference room includes stylish and state-of-the-art audio/visual connectivity solutions with integrated, color touch panel and keypad, with high-level graphic resolution.

Equipment is accessible and easily operated. Standard conference room equipment includes wall mounted dry erase white porcelain marker board, LCD projector, lighting controls that interface with powered speakers, and electrically operated projector screen.
